Please join us for our annual Summer Reading Program at the Placitas Community Library. It is our biggest event of the year! We have many interesting presenters coming to "UNEARTH A STORY" for your children. All dates are on Sundays. Times may vary. Look closely. All of our programs are free and open to the public.

June 21 - Dino-Mite Dads Day - Participate in a variety of fun dinosaur activities with your family. **At 1:00 PM.**

June 28 - Drummer, Kevin Kinane, will teach kids drumming using his remarkable collection of international drums. Kids will be participating in this program using Kevin's drums. **At 1:00 PM**

Children attending these programs will be able to select a new book to add to their personal library. A total of four books for June!

The most important part of our summer programs is the Reading Challenge. Children must register for this program to participate, which can be done at any program. There will be raffle prizes each week for those who bring their reading log with the titles of the books they read.
